Transformation of the ACP

– <http://www.acp-international.com/>

- 5 year plan
- Community
- Run ACP as a Business
- Improve Financial Health
- Grow Membership
- Industry Leader

Our Vision

To build the premier international organization for business continuity professionals.

Our Mission

To provide a powerful network for the advancement of the industry and the development of business continuity professionals

Colorado Rocky Mountain Chapter
of the Association of Contingency Planners

Chapter Objectives*:

- Provide an organized forum enabling members **to discuss and investigate organizational, management/technical issues** relative to contingency planning, DR, Crisis Management, Emergency Management and/or Business Resumption planning.
- **Accumulate, exchange and disseminate information, share experiences** of mutual interest or value, and **advance the effective usage** of contingency planning, DR, Crisis Management, Emergency Management and/or Business Resumption planning.
- In compliance with ACP By Laws and Corporate Board policies, **provide information gathering and exchange services** to remote and/or isolated communities pursuant to membership requirements.

CRMC Value

Together we can harness our collective knowledge, skills and experience to ensure more resilient communities.
