

IS YOUR BUSINESS READY?

BUSINESS PANDEMIC PREPAREDNESS

Employer Roundtable

Did you know...officials and experts do not know how long a pandemic, specifically an influenza pandemic, could last

- Communities may be affected in 6-8 week waves that may continue for up to 18 months.
- State and Federal laws that will affect your business may be modified, suspended or enacted in response to a pandemic.

YOU CAN INFLUENCE HOW THOSE LAWS ARE CHANGED.

- Healthcare resources will likely be stretched beyond capacity. Up to 40% of your workforce may be absent at one time.

PROVIDE YOUR INPUT ON HOW THE GOVERNMENT CAN HELP YOU SUSTAIN THE ECONOMY AND YOUR BUSINESS
